## Director, Sales, Leasing & Property Management

Amrit Samra commenced his commercial real estate career in 1995 working for an international agency for 10 years. He has been involved in the management, leasing and sales of numerous properties for high profile developers and owners.

Amrit's involvements include the management, leasing & sales of a wide array of properties including the retail components of Le Boulevard & Moroccan in Surfers Paradise, Phoenician & Bel Air in Broadbeach, as well as professional office buildings including Gateway, Break-free House & Trendwest House in Surfers Paradise & Bundall.

He has also managed and leased a number of larger scale properties including Park Village Shopping Centre (anchored by Coles plus approximately 20 specialty stores) and Capalaba Plaza & Franklins Shopping Centre in Wynnum.

Amrit's current management portfolio includes:

- Mt Warren Park - Bi-Lo Shopping Centre
- Plains Junction Shopping Centre - Anchored by Westpac
- Highland Park Plaza - Anchored by IGA & Tavern
- Triangle Arcade Shopping Centre
- Reece House - Professional Office Building in Beenleigh
- Dick's Smith & Jaycar Centre in Booval

Amrit's desire to venture out into his own business & begin a boutique real estate agency stems from a passion to provide an all-round agency service to a handful of highly regarded clients, tailored to meet each of their individual needs. This is something he felt was neglected by competitors in the industry & wished to provide such a service to a niche market.
