

Kody Cook

Property Manager, Leasing & Sales

Having been involved within commercial property management for over 3 years, Kody has an exceptional ability to service a large portfolio with ease. After receiving initial training from both directors Kody is now heavily involved with the entire property management portfolio.

Kody's rapport and organisation skills contribute and ensure that his owner's investments are kept at an optimum level, ready for potential sale or valuation.

Whether it is maintenance issues, ensuring all rentals are paid in a timely manner or providing clients with a personalised aspect, Kody delivers the property management service with a high degree of professionalism and confidence.

His skills have enabled him to manage these properties and adapt to the ever changing needs of each centre and their owners.
